HOLIDAY HOMEWORK
2023-24

DEAR PARENTS

We know Summer Holidays are the time of the year when you get an opportunity to spend time with your child. To keep the little ones indoors in the scorching heat and to utilize their time in creative activities, we have attempted to design meaningful creative activities to occupy our kids in their free time. We wish you have an enjoyable summer vacation with your kids. Here are a few tips which will engage your kids in holidays:

1. Suggested Books

Books are a man's best friend. Buy different picture books, colouring books and story books for your child. Let the child do picture reading, colour the sheets in a colouring book and recall the characters and incidents of the story.

2. Know your Home

Play different games with your kids to encourage them to express themselves freely and make them more responsible. It is going to increase their self-confidence and help them grow into independent and confident individuals. Collect things that belong to different rooms in the house and ask your child to name the objects and the name the room to which they belong. Help them to place the things back in the right place.

3.Suggested T.V. Channels

- Discovery kids
- Disney Junior
- Baby T.V.

4 Get Close to Nature

Take your child for a regular morning walk to breathe in fresh air. Make him/her aware of the benefits of a morning walk and tell him/her about different types of plants, flowers, and birds so he/she can generate love for nature.

5. Let's celebrate International Picnic Day

18th June is an International Picnic Day, plan a picnic and collect memorable pictures and prepare a collage on an A4 size sheet.
