# WORLD BOOK DAY & READING SESSION

World Book Day is a special day dedicated to books, authors, and intellectual property protection. It is a celebration to promote the enjoyment of books and reading. Book day was celebrated on 23rd April at DA Amritsar. A collective book reading session was held in the open area where every single child was free to read a book of his or her choice. It was a two-hour reading session. Teachers also participated in the reading marathon. This activity was conducted to develop the habit of reading and love for books in children, it expands their vocabulary and deepens their understanding.

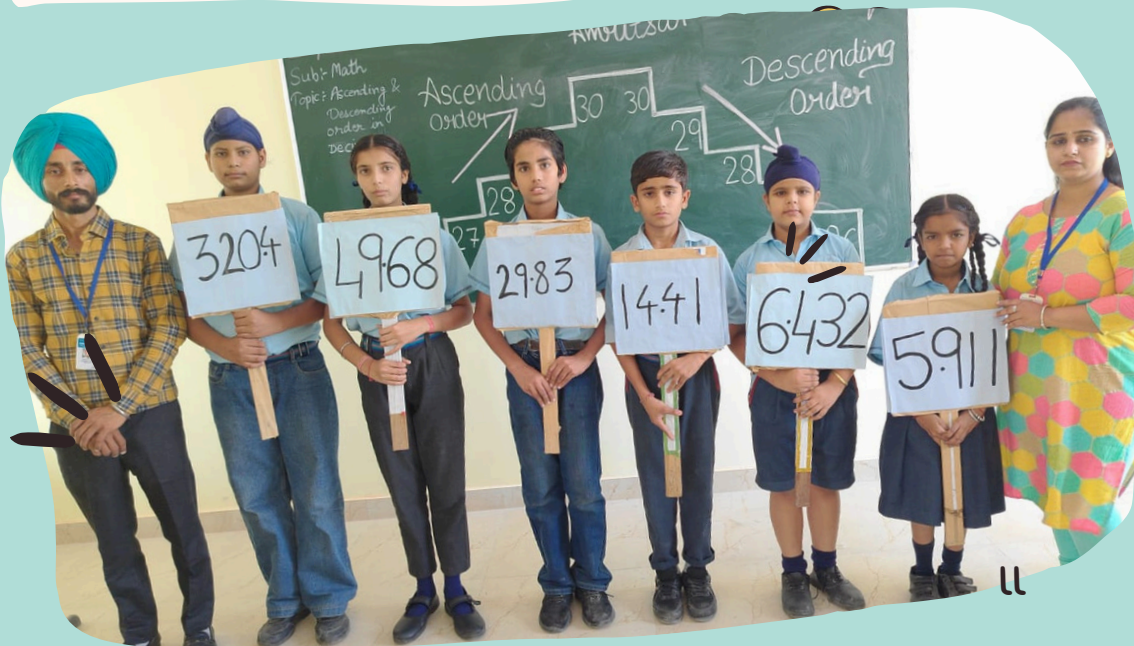

# STORY TELLING ACTIVITY

Story telling activity was conducted for the students of Grade 1-3 on 8th May. This activity helped the children to boost up their confidence and level of imagination, Visualize imagination improved vocabulary and refined communication skills. It enhances psychological and educational benefits.

# MATH ACTIVITY

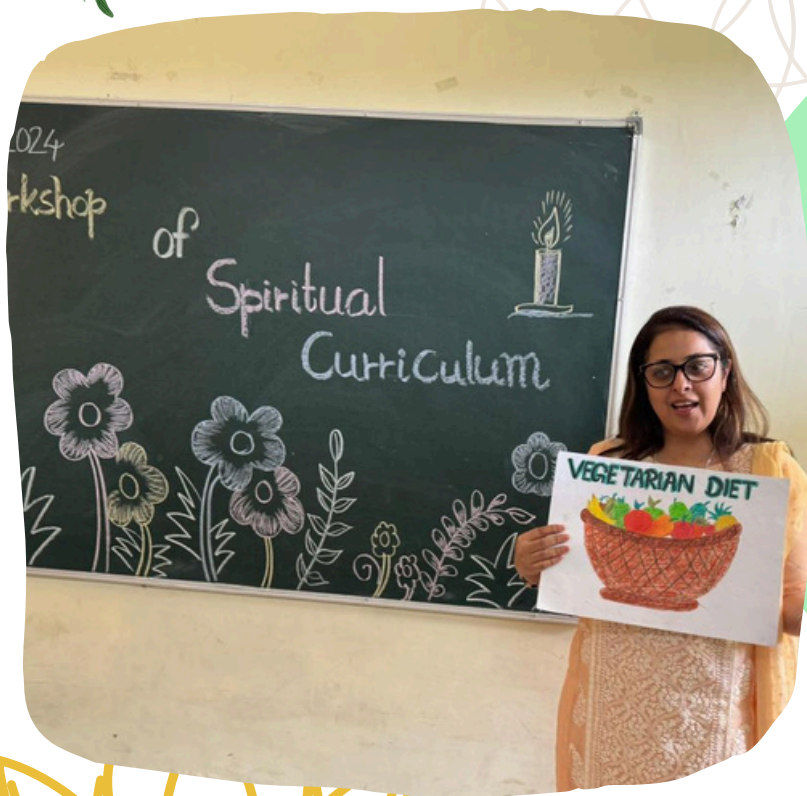

Knowing numbers helps children develop skills that are important for everyday life and for more advanced maths. With this objective an activity on ascending and descending order of decimals, fractions and integers was conducted. The main purpose of this activity was to make the concept clear of how the arrangements of numbers can be done. Students were able to find smallest or largest number amongst all the numbers.

Mathematical skill helps children in using numbers for counting, quantities, measurements, ordering and solving problem
